

REDEFINE OFFSHORE CAPABILITY

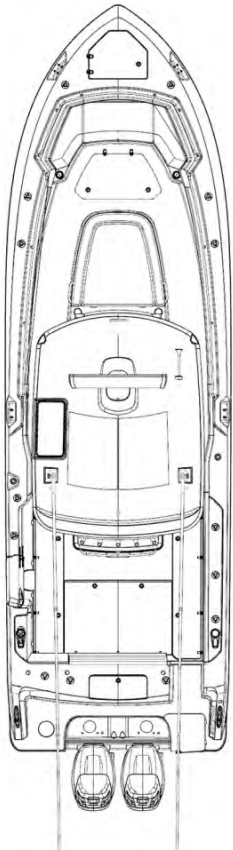

330 Outrage

The next evolution in offshore performance

Whether you're chasing big fish offshore, hosting a sunset cruise with friends, or exploring with the kids, the new 330 Outrage adapts seamlessly to your lifestyle. Couples, families, and serious anglers alike will appreciate its thoughtful design, built on patented WhalerStep™ Hull Technology that brings daring offshore destinations within reach. This 33-foot center console delivers a smoother, drier ride in any condition, while features like all-day comfort seating, integrated fishing essentials, engaging social zones, and an intuitively configured helm give you total command and comfort no matter what lies over the horizon.

Go where the water guides you

The 330 Outrage redefines offshore capability.

A. Smooth & Stable Ride: WhalerStep™ Hull Technology delivers a drier ride and improved fuel efficiency.

B. All-Day Comfort Seating: Seamlessly switch between cruising, relaxing, and fishing.

C. Intuitive Helm Controls: Automotive-inspired helm layout is intuitive and easy to use.

D. Social Bow Lounge: Expansive wraparound lounge creates a natural gathering space.

E. Hardtop Systems: Full-glass windshield or heavy-duty integrated hardtop with floodlights and life-jacket storage add protection.

F. Fishing Essentials: Optional deluxe leaning post with bait-prep area and 21-gallon livewell offers serious angling capability.

WhalerStep: The New Standard for Offshore

Patented WhalerStep™ hull technology builds on Boston Whaler's legacy of safety, smooth ride quality, and unsinkable Unibond® construction.

RIDE QUALITY

The WhalerStep™ hull delivers a flatter running angle and reduced bow rise, enhancing visibility, improving control, and creating a smoother, more comfortable ride.

PREDICTABLE HANDLING

The full-length safe skeg preserves the stable, confidence-inspiring feel that defines Outrage capability, delivering the same trusted handling and safety Whaler is known for.

FUEL EFFICIENCY

Reduced drag from the integrated T-step results in a measurable gain in fuel economy, helping you get more from every trip when every moment counts.
