WHALER

LEADING THE INDUSTRY IN TECHNOLOGY, COMFORT, RIDE QUALITY AND DESIGN

As the flagship of Boston Whaler's legendary fleet, the 420 Outrage rises to any occasion. Named Boating magazine's Boat of the Year upon its debut, the 420 is ideal for hosting friends and family, and purposefully designed for comfort throughout. Two rows of cockpit seating allow 6 people to sit or stand facing forward, and convert easily to face the cockpit when at anchor, forming a natural gathering place. The boat's deluxe leaning post includes amenities for entertaining and serious fishing, including an electric grill, a freshwater sink, a 40-gallon livewell, a stainless-steel refrigerator, tackle storage drawers and more. Add the optional flybridge to gain a full upper command station with VesselView screen, 5 integrated rod holders, 3-across bench seating, an upper station lounge, and an unparalleled vantage point for spotting fish or panoramic views.

“Amazing handling in rough water, smooth, comfortable, powerful, and fuel for the ultimate range. The ideal boat for fishing and pleasure cruising.

— Vince F., 420 Outrage Owner
