

GALEON
YACHTS

335 GTO

Inspired by Passion, Galeon Yachts creates more than vessels – we create icons of freedom and artistry on the sea. Every yacht is born from a deep dedication to excellence, where innovation meets timeless elegance and technology enhances every detail. Designed for those who value sophistication, comfort and individuality, our yachts reflect a lifestyle defined by grace and ambition. From the fluid lines of the exterior to the bespoke interiors crafted with care, each model is a statement of character and refinement. This philosophy guides us to continually push boundaries and set new standards. Step into our world, where journeys begin with vision, shaped by passion, and perfected in every detail.

Founded in 1982, Galeon Yachts has grown into a world-class shipyard, blending a proud heritage with a relentless drive for innovation. Still family-owned and operated in Poland, Galeon stands among Europe's premier luxury yacht builders, known globally. With decades of experience, we continually set new standards in yacht manufacturing. Our shipyard has delivered thousands of yachts to discerning owners worldwide.

We strongly believe, innovation is not just a goal - it's a mindset rooted in decades of yacht building tradition. From our private marina on the Baltic Sea to state-of-the-art production facilities, every detail is designed to support bold ideas and impeccable execution.

OUR AWARDS

Celebrated across the globe, Galeon Yachts has been honored with prestigious international awards that reflect our relentless pursuit of innovation, timeless design and unrivaled quality. These distinctions are more than achievements—they are milestones on our journey to continually shape the future of yachting with elegance, vision and uncompromising craftsmanship.

Our portfolio spans from 30 to 80 feet, offering something for every lifestyle: performance-driven GTO line, versatile Skydeck models, luxurious Flybridge yachts, and sleek Hardtops. Each is crafted with attention to detail, advanced technology, and award-winning design.

The Galeon fleet is more than a collection of yachts – it is an invitation to explore, to celebrate freedom, and to create unforgettable memories at sea.

GTO

Agile. Fast. Built for adventure. The GTO Class captures the spirit of the weekend escape with smart, purposeful design and bold performance. Crafted for those who crave speed and excitement, it delivers maximum thrills in a sleek, compact form. GTO is made to move. And built to impress.

335 GTO

DYNAMIC CRUISER WITH SPORTY
PERFORMANCE AND SMART LIVING

The Galeon 335 GTO represents a compelling blend of fluid design, thrilling performance, and everyday usability in a compact cruiser format. Built on a lightweight hull with twin outboard power, the 335 GTO delivers exhilarating speed and smooth handling while providing versatile living spaces tailored to both day trips and weekend escapes.

PRECISE AND CONFIDENT

The Galeon 335 GTO is a twin-outboard, family-oriented weekend cruiser that combines sporty performance with practical living spaces. Its sleek profile features a lightweight carbon-fiber hardtop and deck, ensuring strength while keeping agility and speed. The central helm offers electrically adjustable sport seats, advanced navigation and steering controls, a docking joystick, and the DPS virtual anchor system for precision handling.

SHAPED FOR SUN & DINING

The bow area provides a C-shaped convertible lounge, complete with fold-down armrests and an option to add a dining table or mattress, transforming the space into a sunbathing or social zone. Integrated speakers enhance onboard entertainment, and large hull windows keep the interior bright and airy.

BUILT FOR ALFRESCO LIFE

The central cockpit features a versatile lounge with reversible backrests, complemented by an L-shaped seating area and a wet galley. Extend the SureShade awning and set up the table to enjoy open-air dining. On the port side, a drop-down balcony expands the usable space, creating a smooth connection with the water and enhancing leisure or recreational activities.

335 GTO

INTIMATE AND WELL-APPOINTED

Below deck, the 335 GTO accommodates up to four guests across two cabins. The forward cabin in the bow converts into a double berth, while the midship cabin offers a generous double bed. A well-equipped bathroom ensures comfort during overnight trips, and clever storage solutions make the lower deck practical for extended stays.

TECHNICAL DATA

Length of the hull	9,93	[m]
Length overall	9,99	[m]
Beam of the hull	3,28	[m]
Beam overall	3,34/4,56 ₄	[m]
Draft max ₁	0,77	[m]
Bridge clearance ₂	4,00	[m]
Height to transport	3,65	[m]
Fuel tank capacity	2x 425	[dm³]
Water tank capacity	120	[dm³]
Grey water tank	75	[dm³]
Black water tank	355/75 ₅	[dm³]
Mass of Light Craft Condition ₃	6720	[kg]
Maximum Load	1840	[kg]
Min. engine (-s) power	2x 221/300	[kW/hp]
