## ULTIMATE JOY OF EXPLORATION

The 480 FLY exemplifies Galeon's pursuit of innovation and luxury in the 2024 lineup, integrating a refined design with practical functionality. Its spacious layout prioritizes comfort and social engagement, boasting features that elevate the onboard experience. Like its larger counterpart, the 500 FLY, the 480 FLY includes an open-concept main deck with seamless access between the salon and the cockpit, ensuring a cohesive indoor-outdoor experience.

The flybridge on the Galeon 480 FLY offers two seating areas, a second helm station, and a wet bar for perfect entertaining. A stylish carbon fiber bimini adds optional protection from the elements., perfect for entertaining or relaxing under the optional carbon fiber bimini. The Beach Mode expands the cockpit area to allow greater access to the sea, enhancing the feeling of openness and freedom.

The 480 FLY provides a choice of cockpit arrangements, allowing owners to select between a 360-degree rotating sofa for versatile seating or a traditional layout with a crew cabin.

The interior is thoughtfully divided, with a generous lounge and dining area connected to a fully equipped kitchen, complete with modern appliances for effortless entertaining.

Accommodating up to six guests, the lower deck features a luxurious master suite, a VIP cabin forward, and a twin guest cabin. Each stateroom offers ample storage and large windows for natural light, ensuring a tranquil retreat for all on board. With customizable options for interior finishes and engine configurations, the 480 FLY allows owners to tailor their yacht to match their personal style and cruising needs.

Embodying the spirit of exploration, the 480 FLY merges Galeon's signature craftsmanship with innovative features, making it a standout vessel in the world of luxury yachts.
