
BOSTON
WHALER
INTRODUCING THE
380 OUTRAGE
Powerful Capability. Sophisticated Simplicity.

A BOLD NEW ADDITION TO A LEGENDARY FAMILY

Meet the all-new 380 Outrage, a powerful vessel that confidently navigates the spectrum of on-water activities. Empowering epic offshore fishing runs as beautifully as it hosts memorable social gatherings, the 380 Outrage is incredibly comfortable and simple to operate, delivering a pinnacle experience every time out. Count on an array of advanced technologies, comfort-minded amenities and Whaler's precision-engineered hull design to provide unsurpassed performance and endless enjoyment.

Bow to stern, the layout of the 380 Outrage is remarkably intuitive and noticeably spacious for its size. Sophisticated storage solutions — including the massive under-seat bow garage and two in-floor fishboxes — hold everything you need for an active day on the water, whether you're on the hunt for trophy gamefish or taking the grandkids on a sightseeing tour. Meanwhile, a versatile, air-conditioned cabin and optional bow and stern sunshades deliver extra protection from the elements and ample ways to unwind.

BOSTON WHALER

FEATURES AND OPTIONS TO MAKE YOUR BOATING LIFE EASIER

Cutting-Edge Propulsion | Triple Mercury® Verado® engines provide reliable, efficient performance. Choose the optional Joystick Piloting system for turn-on-a-dime control and effortless, stress-free docking. **(A)**

Added Peace of Mind | The optional Whaler Watch (connected vessel) package monitors multiple boat systems and vessel position remotely via satellite. Whaler Watch is the industry's only monitoring system of its kind that is fully integrated into the propulsion, meaning you can immobilize your engines remotely. This ensures 24/7 security, even when you're far away.

Huge Fishing Capability | Amenities for serious fishing include a 60-gallon transom livewell, large in-floor fishboxes, an optional deluxe leaning post with bait-prep center, and an integrated hardtop with rod holders. The optional upper station features an array of available electronics, providing anglers and pleasure boaters alike with a superior view and confident command.

Steady As You Go | The 380 Outrage is available Seakeeper technology. This remarkable gyro-stabilizing system, thoroughly tested and seamlessly integrated by Whaler's engineering team, works from within the hull to produce a significant reduction in boat roll — which translates to less seasickness and happier passengers. **(B)**

Entertaining Ease | The optional Summer Kitchen features a refrigerator/freezer, hot and cold freshwater sink, and an electric grill, making it perfect for whipping up a snack or keeping refreshments cold. Dedicated storage holds paper towels, utensils, drinks and more.

Sophisticated Storage | A place for everything and everything in its place... The 380 Outrage follows this advice to the letter, with well-placed, well-designed storage compartments found throughout the boat and sized perfectly for all the boating essentials. **(C)**

Captain's Domain | Plush helm and companion seats include fold-down armrests and flip-up bolsters, providing ergonomic comfort that adjusts to suit captains of various sizes and preferences. **(D)**

Seating Galore | In the cockpit, a new aft-facing couch serves up uninterrupted views of the scene behind the boat. Meanwhile, the coaming in the bow has been pushed out to expand seating and storage — including a forward-facing lounge with a massive storage compartment below. Securely stow dive tanks, life jackets, fenders and more. **(E)**

Sun Protection | An optional SureShade® sunshade deploys electronically from the hardtop to extend sun protection aft, over the cockpit. An optional, manual sunshade is also available for the bow.

Versatile Cabin | Duck out of the elements, enjoy a hot meal or stay overnight in the air-conditioned cabin, where a convertible settee and dining table becomes a cozy double berth, including LED-defused blue courtesy lights. A vanity with sink and a fully enclosed, lockable head add comfort and privacy.

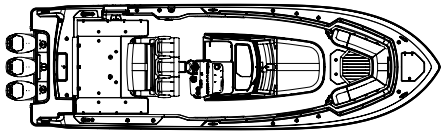

BOSTON WHALER

SPECS/STANDARD EQUIPMENT

LOA: 38'0" (11.58 m)
Beam: 11'8" (3.56 m)
Draft: 23.5" (0.60 m)
Weight (no engine): 14,500 lbs (6,577 kg)
Maximum Weight Capacity: 5,214 lbs (2,365 kg)
Swamp Capacity: 5,000 lbs (2,268 kg)
Persons Capacity: 16

STANDARD EQUIPMENT

All hardware 316-L stainless steel
All rails welded 316-L stainless steel

DECK/COCKPIT

10" Stainless steel pull-up cleats: bow (2), spring line (2), crosstie cleats at transom (2)
10" Stainless steel cleats: stern cockpit with gunnel board hawse pipe (2), anchor locker (1)
29" interior freeboard
Acrylic transom door with stainless steel latch
Anchor - galvanized
Anchor roller davit - stainless steel thru hull
Bow eye – heavy duty polished stainless steel
Chrome Boston Whaler Logo
Dive door - molded fiberglass boarding door on port side with removable stainless steel dive ladder with dedicated storage in transom seat
Drink holders – stainless steel; (2) in bow, (2) in hawse pipes, (2) at helm, (2) at console lounge, (2) in cockpit couch armrests and (4) in couch flip table
Full coaming bolsters from bow to stern
Lighting – LED courtesy lighting throughout cockpit, blue rope lighting
Lighting – LED courtesy lights in mechanical bilge (4- white), bow seating storage compartments (3-blue), anchor working area (white) and console storage (3-white)
Livewell - pressurized (60-gallon) located at the transom on centerline with acrylic lid, blue interior with removable divider and dual red LED lighting (2000 GPH pump)
Motorwell drains
Rails - low profile interior bow rail - welded stainless steel
Rails - cockpit toe rails - stainless steel
Rails - grab rails - stainless steel; forward lounge (2), couch leaning post, cabin companionway
Rod holders – stainless steel gunnel mounted; at bow (4), stbd cockpit (3), port cockpit (2), Integrated into hardtop frame (6)
Rod holders – stainless steel transom mounted (2)
Rod holders - under starboard gunnel (3) for 6' rods (deleted with cockpit seating option)
Rub-rail - heavy duty white rub-rail with stainless steel insert
Self-bailing cockpit sole
Swim platform with recessed telescoping boarding ladder and grab rail
Under gunnel storage shelf with downrigger weight holders (2 per side)

CONSOLE/HEAD

Center helm layout
Compass with back lighting
Dash visor with custom stitched cover and recessed storage tray with USB and 12v charging receptacles
Drink holders (2)
Electrical switch panel with illuminated text
Electronics mounting surface with space for dual 16" displays
Footrest molded into console with fold-down standing platform with maintenance free, anti-fatigue synthetic surface, provides improved visibility for captain and starboard passenger
Ignition switches - remote key switches in main DC panel cabinet with pushbutton start/stop at helm
Lockable acrylic sliding entry door
Mercury DTS dual binnacle controls with integrated engine trim controls
Steering wheel - cast stainless steel with knob and tilt helm
Stereo (FUSION® UD750) (integration into Raymarine with Navigation Package) – includes: FUSION® stereo 3.5" Color LCD, iPod/iPhone dock audio, AM/FM/VHF, USB AUX input, iPod/iPhone/Android compatible via integrated Bluetooth, Sirius XM option ready, stereo remote controls - cabin and bow, MP3/Aux input, JL Audio waterproof speakers - exterior, 6.5" aft cockpit (2), 7.7" at helm deck (2), 7.7" component at bow (2), 10" sub-woofer at helm deck (1), 6.5" in cabin (2) with JL Audio amplifiers

SEATING

Foldaway stern bench seat
Forward console lounge with fold-down armrests, drink holders (2) center armrest with (2) cup holders and 2 outboard arm rests (when center is folded down it provides access to dual USB charging ports)
Forward deck wrap-around seating with flip-up backrests, drink holders (2), stereo remote and fish box pump out switch
Helm and companion bolster style seats (3) with fold-down armrests (center seat is electrically actuated, side seats have manual fore and aft adjustment)
Aft facing seating with stainless steel cup holders integrated into the arm rest (2)

STORAGE EXTERIOR

Bow anchor locker with drains
Insulated in-floor fishboxes with pump-out; aft (2) forward (1)
Lifejacket or optional canvas enclosure storage in the hardtop
Lockable console front storage - holds (2) five gallon buckets and one 36-qt cooler (included)
Storage under bow seating with LED blue lighting
Under gunnel cockpit storage shelves
Helm Deck side coaming pockets with storage nets and blue LED Lighting
Bow side coaming pockets with storage pockets and blue LED lighting
Insulated storage compartment under aft facing seat with drain and insulated sealed lid (upgradable to livewell option)

STORAGE INTERIOR

Storage cabinet on port side
Storage under galley
Storage in head

HARD-TOP / WINDSHIELD SYSTEM

Flood lights (2) recessed into hardtop lighting cockpit area
Flood light (1) recessed into hardtop lighting bow area
Hardtop support frame - custom powder coated aluminum frame integrated into the deck providing unobstructed walkways
Hardtop access; portside ladder to hatch in hardtop
Lighting; recessed LED courtesy lighting (blue) (6)
Lighting; recessed 2 color LED courtesy chart light (red and white) (1)
Lifejacket/Canvas Enclosure storage
Lockable electronics box in hardtop
Outrigger ready
Rod holders (6)
Tempered curved glass windshield with electric actuated vent
Tempered full height side glass
Mercury SmartCraft Vessel View 7" color touch screen display (network connections to Raymarine with Navigation Package)
Windshield defogger integrated into hardtop

COUCH LEANING POST
Aft facing couch with insulated cooler storage under hinged seat, stainless steel cup holders recessed into seating arms (2) (optional 40 gallon livewell under seat)
Prep station work surface - easy stow-and-go work surface with teak counter, stainless steel drink holders (4) and poly cutting board
Grab rails (3)
Refrigerator/freezer - stainless steel pullout drawer (1.75 cubic feet)
Storage drawers (3) starboard side drawer system
Helm and companion bolster style seats (3) with fold-down armrests (center seat is electrically actuated) (side seats have manual fore and aft slides)
Port side fold-down footrest
120-V electrical outlet

CABIN INTERIOR
Dual USB receptacle, (2) 120-V outlet
Air conditioner with exterior dash outlets (12K BTU)
Convertible settee / double berth with easy to clean fabric upholstery
Fold down seat backs with durable material providing storage conversion surface
Flooring - solid teak
Lighting - LED diffused courtesy lights (blue)
Lighting - LED switchable overhead lights (4)(white)
Microwave
Opening portholes (2)
Skylight and side lights (3)
Storage cabinets
Rod storage, (4) 6.5' and (2) 7.5' rods
Vanity with custom vessel sink
Trash receptacle

ENCLOSED HEAD
Fiberglass enclosure with frosted acrylic locking door
Hinged solid teak toilet cover
Shower with dedicated wand/sprayer
Toilet paper holder
Vacu-Flush® toilet, holding tank with tank vent filter, overboard discharge, and dockside pump-out
Storage drawers (not compatible with freezer plate option)

MECHANICAL
300 L6 DTS Black Triple Mercury Verado FourStrokes with hydraulic power steering and Shadow Mode Technology (91 octane fuel recommended)
445-gallon aluminum fuel tank
Bilge pumps - automatic (1100 GPH berth, 2000 GPH bilge)
Bilge pump - high water bilge pump with visual and audible alarm (2000GPH)
Battery charger – 40 AMP and 50 AMP @ 12-V multi stage smart charging
Battery trays (5) with remote switches and automatic charging/ paralleling relays
Bow thruster (4kW) 12-V (Not available with Joystick Piloting Option)
Bonding system for underwater through hull fittings
Cast bronze thru hull and seacocks (below waterline)
Cast stainless steel thru hulls (above waterline)
Cockpit and machinery space lighting
Electric trim tabs with indicator (dual ram)
Electric drive trim
Electric trumpet horn
Engine fuel/water separators
Freshwater - pressurized hot and cold water system with dockside hookup, with tank level indicator integrated into Vessel View with a 60-gallon tank
Freshwater manifold system with individual valve per circuit
Freshwater - hot and cold, sink and shower in console, pull-out shower at transom and dive door
Freshwater washdown – stainless steel spigot in aft cockpit and anchor compartment
Generator - low CO gas (7.5kW) 120-V 60 Hz with fire suppression system, automatic with manual override
LED navigation lights recessed in hardtop
Propellers - stainless steel
Raw-water washdown – stainless steel spigot in aft cockpit
Self leveling tab system – Dynamic Running Surface
Shore power inlets - dual 30-amp with isolation transformers and 50 ft shore power cords included
Transducer pocket in hull bottom for flush mounting B260/B275 transducer
Water heater (6 gal)
Windlass with handheld remote control, 400' rode with anchor swivel, 35 lb anchor integrated into bow with a polished stainless steel bow roller
Windshield wiper with wash system

OPTIONS AND ACCESSORIES

NOTABLE OPTIONS/ACCESSORIES

12-V receptacles at transom for electric reels / downriggers (2)
Active Trim (Mercury option that automatically adjusts drive trim based on speed)
Active Trim upper station (Mercury option that automatically adjusts drive trim based on speed)
Air conditioning – helm deck (18K BTU) providing cool air to helm seating area (includes 10K Generator upgrade)(not intended to cool helm deck area with enclosure up)
Anchor – polished stainless steel anchor (replaces galvanized standard anchor)
Anchor windlass chain (300 feet)(replaces standard rode)
Audio package – premium – includes: additional JL Audio waterproof speakers - exterior; 7.7" helm deck (2), 8.8" bow (2), JL Audio waterproof subwoofer – increases from 10" (500W) to 12" (1000W), additional JL Audio amplifiers (2)
Bow tow eye – polished stainless steel
Commissioning kit – includes: air horn, batteries – Group 31 AGM (5), boat Hook, dock lines (8), tenders (4), fire extinguishers (2), first aid kit, flare kit, life vests (type1 offshore (10) with custom storage bags), spare fuel filters (3), throw cushion, tool kit (basic), water/holding tank supplies
Couch leaning post with gyro (not compatible with livewell, starboard refrigerator and helm deck A/C options) – includes everything in the standard leaning post, but deletes the fiberglass insulated cooler storage bucket under the seat and replaces it with a non-insulated storage compartment (deletes starboard side storage drawers and is replaced by storage pocket)
Deluxe leaning post with bait prep center (replaces couch leaning post)(not compatible with gyro and helm deck A/C) – includes: bait prep area with cutting board, custom helm and companion bolster style seats (3) with fold-down armrests (center seat electrically actuated), footrest molded into console (fold-down standing platform with maintenance free, anti-fatigue synthetic surface providing improved visibility for captain and starboard passenger), drink holders (4), electric stainless steel grill, freshwater sink with hot and cold water, stainless steel grab rail, port side fold-down footrest, pressurized livewell (30-gallon) with clear lid, blue interior and red lights, refrigerator/freezer (stainless steel drawer 12-V / 120-V (1.75 cubic feet)), storage drawers (3)(starboard side drawer system), storage lid (with tool holders, storage nets, and leader holders), tackle storage drawers with Plano Boxes on aft face, 120-V electrical outlet
Deluxe leaning post with bait prep center and gyro (not compatible with starboard refrigerator, helm deck A/C and summer kitchen options)(must select gyro) – includes everything in the deluxe leaning post option, but deletes the livewell and starboard storage drawers
Deluxe leaning post livewell – delete (requires DXL leaning post option)(compatible with helm deck A/C)(deletes the 30 gallon livewell, replacing it with increased storage, larger sink and paper towel holder on the lid same as the Summer Kitchen layout)
Dive tank holders (4) in console front storage
Engine flushing system (automatic)(push button in cockpit to activate timed flush sequencing between engines)
Flooring – teak cockpit flooring covering entire cockpit, visibility step and helm foot rests
Freezer plates in fish boxes (port and starboard)
Freezer plates in fish box (starboard)
Generator (diesel) (12 kW with 20 gal. diesel tank) (replaces low CO gas generator)
Grill - delete (Deluxe and Summer Kitchen Leaning Posts only)
Lighting – underwater LED (blue) transom mounted (4), side hull mounted in trim tab pockets (2)
Livewell (not compatible with deluxe and summer kitchen leaning posts or SeaKeeper option) – includes: aft facing couch with insulated livewell/cooler under hinged seat, pressurized livewell (40-gallons) with clear lid, blue interior and red lights, 1100 GPH pump
Outriggers – competition outriggers (must select upper station option)
Outriggers – radial outriggers (black)(hardtop mounted)
Rails - stainless steel bow rail (replaces low profile rail)
Rails - stainless steel split bow rail (replaces low profile rail)
Refrigerator/freezer (starboard side of leaning post)(stainless steel drawer 12-V / 120-V (1.75 cubic feet)(not compatible with Seakeeper Gyro Stabilizer, replaces drawer storage)
Refrigerator/freezer delete (deletes standard port refrigerator/freezer and replaces it with tackle storage)
Seakeeper® Gyro Stabilization (must select diesel generator opt)
Seating - fiberglass cockpit fold-out bench seat (starboard) (replaces under gunnel rod holders and (1) gunnel rod holder)
Seating – fold-down trolling seats (2)(replaces port and stbd net storage compartments on helm deck)
Spotlight
Summer kitchen leaning post (replaces couch leaning post)(not compatible with gyro option) – includes: custom helm and companion bolster style seats (3) with fold-down armrests (center seat electrically actuated), concealed bank of drawers and storage, cutting board that closes out sink opening providing a larger counter work surface, drink holders (4), electric stainless steel grill, footrest molded into console (fold-down standing platform with maintenance free, anti-fatigue synthetic surface, providing improved visibility for captain and starboard passenger), freshwater sink (extra-large) with hot and cold water, stainless steel grab rail, port side fold-down footrest, refrigerator/freezer (stainless steel drawer 12-V / 120-V (1.75 cubic feet)), storage drawers (3)(starboard side drawer system), storage lid with storage shelf, paper towel holder and storage nets, 120-V electrical outlet
Summer kitchen leaning post with gyro (replaces couch leaning post)(not compatible with starboard refrigerator, helm deck A/C and summer kitchen)(must select gyro) – includes everything in the Summer Kitchen Leaning Post, but reduces storage on aft face and deletes starboard side storage drawers
Sunshade at bow (black mesh)(manual setup)(attaches to hardtop extending over the bow area to stainless steel poles inserted into rod holders)
Sunshade at cockpit (black canvas)(electrically retracts and deploys from inside the hardtop)(electric polished stainless steel telescoping)
Sunshade at cockpit (black mesh)(manual setup)(attaches to hardtop extending to stainless steel poles inserted into aft rod holders)
Table – teak bow table with filler cushion and canvas cover (electrically raised and lowered)
Table – synthetic teak fiberglass bow table with filler cushion and canvas cover (electrically raised and lowered)
Table – teak aft cockpit tables (2) with dedicated storage on underside of mechanical space hatch
Table – synthetic teak fiberglass aft cockpit tables (2) with dedicated storage on underside of mechanical space hatch
Upper station (not compatible with joystick engines) – includes: control box and seating canvas cover (black), ladder access to the hardtop, LED lighting - blue (4), powder painted upper station frame, tilt helm with stainless steel steering wheel, upper station control box (with Vessel View 7" display, DTS throttle and shift, compass, and drink holders (2)), upper station upholstery with backrest and flip up bolsters, VHF antenna extension (navigation package required)
Upper station with joystick piloting – includes everything in upper station option, plus electronic steering and joystick with Skyhook/autopilot keypad
Water delivery at manufacturing plant – includes all items from commissioning kit plus 445 gallons of fuel and Navionics platinum chart card
Water delivery at manufacturing plant with upper station - includes all items from commissioning kit plus 445 gallons of fuel and Navionics platinum chart card

ENGINES

300 L6 DTS White Triple Mercury Verado FourStroke with hydraulic power steering and Shadow Mode Technology (91 octane fuel recommended)

300 L6 DTS Black Triple Mercury Verado FourStrokes with Joystick Piloting; outboard docking system with joystick electronic steering, Skyhook/autopilot keypad and functionality (Raymarine or other stand-alone optional autopilot not permitted with Joystick Piloting) (91 octane fuel recommended)

300 L6 DTS White Triple Mercury Verado FourStrokes with Joystick Piloting; outboard docking system with joystick electronic steering, Skyhook/autopilot keypad and functionality (Raymarine or other stand-alone optional autopilot not permitted with Joystick Piloting) (91 octane fuel recommended)

350 L6 DTS Black Triple Mercury Verado FourStroke with hydraulic power steering and Shadow Mode Technology (91 octane fuel recommended)

350 L6 DTS White Triple Mercury Verado FourStroke with hydraulic power steering and Shadow Mode Technology (91 octane fuel recommended)

350 L6 DTS Black Triple Mercury Verado FourStrokes with Joystick Piloting; outboard docking system with joystick electronic steering, Skyhook/autopilot keypad and functionality (Raymarine or other stand-alone optional autopilot not permitted with Joystick Piloting) (91 octane fuel recommended)

350 L6 DTS White Triple Mercury Verado FourStrokes with Joystick Piloting; outboard docking system with joystick electronic steering, Skyhook/autopilot keypad and functionality (Raymarine or other stand-alone optional autopilot not permitted with Joystick Piloting) (91 octane fuel recommended)

ELECTRONICS

Raymarine Automatic Identification System Receiver (AIS Ray 260 Receiver) (must select a navigation package)

Raymarine Automatic Identification System Transceiver (AIS Ray 650 Transceiver) (must select a navigation package)

Raymarine Autopilot Evolution EV-400 with 3.5" color TFT display (must select navigation package) (not compatible with Joystick piloting)

Raymarine Autopilot Evolution for Upper Station with 3.5" color TFT display (must select navigation package and upper station) (not compatible with Joystick piloting)

Raymarine Chirp Sonar (1000 watt thru hull transducer B275) (Raymarine Sounder CP470) (must select a navigation package – replaces B260 transducer)

Raymarine Chirp Downvision Sonar (CP100 Sonar with CPT100 transom mount transducer) (must select a navigation package)

Raymarine E165 15.4" Electronics/Navigation Package (GPS/chart plotter/fishfinder) (Raymarine Sounder CP470) (1000 watt thru hull transducer B260 flush mounted in the hull) (Ray260 modular VHF system) (Navionics Chart Card: North America/ Canada)

Raymarine E165 15.4" Additional Display Electronics Package (widescreen) (GPS/chart plotter/fishfinder) (must select a navigation package)

Raymarine gS165 15.4" Electronics/Navigation Package (GPS/chart plotter/fishfinder) (Raymarine Sounder CP370) (1000 watt thru hull transducer B260 flush mounted in the hull) (Ray260 modular VHF system) (Navionics Chart Card: North America/ Canada)

Raymarine gS165 15.4" Additional Display Electronics Package (widescreen) (GPS/chart plotter/fishfinder) (must select a navigation package)

Raymarine eS97 9" Electronics for Upper Station (Gateway integrated to provide SmartCraft engine data to Raymarine display) (GPS/chart plotter/fishfinder) (Ray260 modular VHF system) (must select upper station and a navigation package) (compatible with JPO)

Raymarine gS95 9" Electronics for Upper Station (Gateway integrated to provide SmartCraft engine data to Raymarine display) (GPS/chart plotter/fishfinder) (Ray260 modular VHF system) (must select upper station and a navigation package) (compatible with JPO)

Raymarine Radar – Open Array (4kW high definition digital radar with 48" open array antenna) (must select a navigation package)

Raymarine Satellite Weather (Sirius Marine Weather Receiver) (requires monthly subscription) (must select navigation package)

Raymarine T253 Thermal Night Vision (30Hz NTSC) (must select a navigation package)

Raymarine T303 Thermal Night Vision with pan, tilt and zoom (must select a navigation package)

Satellite radio – Sirius satellite receiver with antenna integrated into stereo

Theft Deterrent System with connected vessel (Mercury TDS anti-theft security key fob immobilizes engine when not present) (telematics tracking system with GeoFence notification) (3-year monitoring included) (Whaler Watch mobile app) (remote monitoring and notification of high water bilge alarm, tank levels, batteries, shore power connections and propulsion system information)

VesselView Mobile

CANVAS

Canvas cover package (black sunbrella) – includes: console cover, forward cushion covers, storage garage covers, helm seat cover, couch seating cover, aft flip-down seat bolster cover, triple engine cover

Canvas enclosure (Rigid Makrolon® with White Stamoid®) – includes hardtop aft curtain, full beam enclosure, hardtop wing curtains with 2 side panels per side

Canvas mooring cover – includes: full boat mooring cover with lightweight breathable material, attaches to underside of hardtop extending over cockpit and bow area, ratchet strap system secures perimeter below rub rail

COLOR PAINTED HULLS
