

# 470 SKYDECK

The 470 SKYDECK can be fitted with all the amazing innovations of the 500 series in a more compact package. With bespoke interiors, great performance and handling it is sure to please all yacht enthusiasts. This daring, new design clearly shows the bold path Galeon has taken to propel its yachts into the future. Once again fitted with an automatic bow settee area that swiftly morphs into a sundeck, cockpit roto-seat, and everyone's favorite feature - the Beach Mode, be sure the 470 SKYDECK will make the most of the space available on board.

Inside, find yourself in a world of luxury with a quality finish all Galeon yachts are known for. Customize the interior with a variety of available woodwork and fabrics and select from a wide range of available options and equipment to truly make it your own.

Guest can be entertained on the main deck that features a dining area and a full-sized kitchen or take respite down below in one of the three cabins. The spacious master is located midship and offers access to an en suite bathroom for extra privacy.

Several engine options and propulsion types, including the IPS drives allow to strike a perfect balance between great fuel economy and sporty performance. The yacht joins the already extensive lineup of Third Generation units available and is sure to make a long-lasting impression with its unique combination of substance and style.

The 470 SKYDECK shows innovation and maps a new direction for modular luxury crafts.

The new 470 SKYDECK was developed to mirror the incredible features of its twin 460 FLY model while offering a more sporty and dynamic design with the ability to close off the top deck.

# 470 SKY

## Beach mode

The 470 can be fitted with the incredible Beach Mode, cockpit roto-seat and a transformable bow rest area - impressive!

The top deck can be quickly closed off when not used

Great design and performance to match

— The bow can be turned into a sundeck or a sitting area

— Serve refreshments from the outside bar

— Beach mode extends the available space on board

— A large cockpit area
