

Flybridge line

680 FLY

Galeon 680 FLY will debut in 2018 to extend the line of third generation flybridge models and introduce some exciting new features to the segment. With a powerful, yet elegant frame it is sure to turn heads in amazement.

Incredible amount of space on all decks, bright and welcoming interior and commendable performance- this is what you can expect from the upcoming 680 FLY – stay tuned!

680 **FLY** - Incredible volume

The upcoming 680 FLY will offer an unprecedented amount of space on all three decks - coming 2018!
